We shape the strategy. Then we build it.

CONSULT + BUILD

We shape the strategy. Then we build it.

Prisma House is a marketing consultancy with two connected halves. The first works out where your growth actually comes from – brand, demand, content, media pitching and the honest audit – and holds every recommendation to a commercial number, not a vanity metric.

The second builds the digital infrastructure that runs it: the website that sells and the systems that keep the business moving, designed and looked after by the same team that set the direction. Because advice that never ships is just opinion, we build what we recommend.

The projects that follow show real screens at their real scale, cropped to the part that matters. No invented numbers, no borrowed testimonials.

WHAT WE DO

Everything between your expertise and a finished book.

Writing a book is hard, slow and easy to abandon. We remove every step that stops busy leaders from finishing — and do it for you.

We write it

You're matched with a dedicated, native-English writer from our team of ghostwriters. A simple questionnaire and a few conversations are all it takes — they handle the manuscript, with unlimited proofreading until it's right.

We design it

A custom cover, interior layout and eBook formatting, crafted to sit comfortably next to the best books in your category — and to look the part on every screen and shelf.

OUR OWN PRODUCT · SYSTEMS & PRODUCTS

A free AI audit of how a leader reads from the outside — and the work that closes the gaps.

Accomplished leaders are under-described online, and nothing measured that honestly or connected each gap to the work that would close it.

A report that explains the gaps

Where the missing points sit, what closing each gap is worth and a recommended service for each finding, with progress tracked across audits.

Services and plans

A marketplace of done-for-you services with a request flow and an internal queue; Base and Pro plans on Stripe with entitlement gating.
